Please note that we have an updated SHARES Account Request form. We have added fields to accommodate agencies that use TPAs (Third Party Access).

If you have old versions of the form, please discard those and use the newest version of the form which is labeled "V2.0".

We will continue to process new account requests provided on the old forms up until June 30, 2016. After that, requests received on the obsolete forms will be returned and need to be resubmitted on the current form in order to be compliant.
