

*Alcohol, Drug and Mental Health Board
of Franklin County*

JAN 1 - DEC 31 2017

ANNUAL REPORT

Treatment Works. Recovery Happens.

ACCESS TO QUALITY CARE SERVICES

ADDICTION STABILIZATION CENTER

With a capital investment of \$500,000 and ongoing operational support from ADAMH, Maryhaven opened a new Addiction Stabilization Center that offers immediate care to people who overdose.

MOBILE OPIATE RESPONSE

ADAMH expanded the Mobile Opiate Response program, which connects a person who has overdosed with a clinician who can offer immediate treatment options, to include hospital emergency departments.

CRISIS RESPONSE

ADAMH helped to expand Netcare's Crisis Response Services, making it possible to handle 84,843 calls through their 24/7 crisis hotline (614-276-2273) and to add crisis CHAT services where people can chat online with a clinician.

PREVENTION AND COMMUNITY ENGAGEMENT

SUMMER CAMPS

ADAMH has funded summer camps since 2010 and continues to expand, investing over \$1.9 million in 2017. Participants learn about the risks of drugs and alcohol while working together and learning from positive role models.

SCHOOL INVESTMENTS

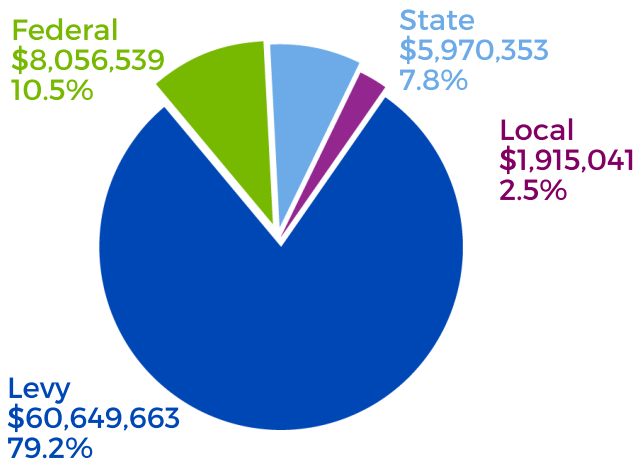

ADAMH allocated more than \$4 million to provide prevention and intervention services in every public school district in Franklin County through a chosen provider from the ADAMH network of care.

YOUTH-LED PRIMARY PREVENTION

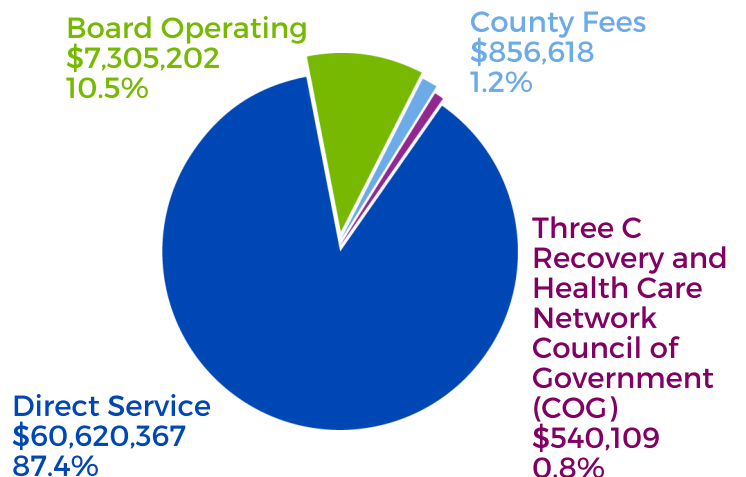

ADAMH committed \$225,000 to CompDrug to manage prevention programs that pair adult allies with youth to empower them to create positive prevention messages to share with their peers.

2017 REVENUES

2017 EXPENSES

HEALTHY FAMILIES

FAMILY RESPITE

ADAMH launched a new program with Concord Counseling Services and NAMI Franklin County to provide in-home respite services to families in Franklin County who are caring for a loved one with a diagnosed mental illness.

POSTVENTION

ADAMH provided \$150,000 to Franklin County LOSS (Local Outreach to Suicide Survivors) enabling trained volunteers to respond to the scene of a suicide to support survivors and provide available resources.

SAFETY, SECURITY, AND STABILITY

FIRST RESPONDER TRAINING

ADAMH invested more than \$37,000, plus in-kind staff and resources, to support Crisis Intervention Team (CIT) and Mental Health First Aid training. MHFA helped participants learn to identify and interact with someone experiencing a mental health crisis. CIT officers received extensive training including de-escalation techniques and empathy training from individuals with a mental illness and their families.

INNOVATION TO EMERGING NEEDS

RECOVERY SUPPORT APP

With support from The Columbus Foundation, ADAMH launched a pilot program to offer 24/7/365 peer recovery coaching through a mobile recovery app from Ascent. The program connects participants with certified peer recovery coaches and other resources through an easy-to-use phone app.

Treatment Works. Recovery Happens.

Dear Supporter,

ADAMH is not a single building on East Broad Street. ADAMH is an entire, comprehensive system of providers, programs and, most importantly, people who are committed to supporting all of the communities within Franklin County. ADAMH funded additional treatment beds, expanded programs responding to mental health and substance use crisis, and invested in prevention efforts as well as first responder trainings. 2017 was a year of progress, but there's much more to do to ensure that everyone in Franklin County with a mental illness or substance use disorder gets the help they need. ADAMH will continue to evaluate the needs of the community and add or expand services whenever possible.

In this report, you will find the breakdown of our 2017 financial information, both revenues and expenditures, and highlights of some of our new or expanded services and programs.

You Are Not Alone
SUICIDE PREVENTION

If you or a loved one need help, please call or text* the
Suicide Prevention Hotline: 614-221-5445

- Make sure the person is not left alone unless they pose a threat to the safety of others
- Listen carefully to what the person has to say
- Speak directly to the person; do not argue or agree to keep their feelings a secret
- In cases of emergency, call 911 for assistance
- Take the person to an emergency room or seek help from a medical or mental health professional
