

# RESOURCES FOR COLUMBUS AREA CLIENTS

First and foremost, ADAMH will ensure that all people receiving current services at Columbus Area continue to receive the care that they need. We have created this resource flyer to provide some points of important information for you and your family members as you navigate this change.

The Columbus Area Board of Directors has requested that the ADAMH Board of Franklin County provide administrative oversight of Columbus Area. The Ohio Department of Mental Health and Addiction Services has approved this request and ADAMH is committed to serving in this capacity.
