

ASP/Budget 2022 Prevention Program
Description Form

The purpose of a Prevention Services program is to provide alcohol, drug, and mental health education and skill-building services to children, youth, transitional-age youth, young adults, adults, older adults, and families so they can avoid the abuse of drugs and alcohol, make positive behavior choices, and improve the well-being of our community.

Submit one form per program supported by your Prevention allocation.

Date: _____

Provider: _____

Program Title: _____
