

# Volunteer Services Department: Bring Joy and Hope this Holiday Season

*Bring joy and brighten your holiday season by supporting TVBH's holiday programming.*

As our new normal continues to unfold and be defined, Volunteer Services is poised to deliver holiday programming that balances traditions with new on-unit programming. As we continue to maneuver safety guidelines, we will focus on supporting our patients throughout the holidays with many on-unit resources and seasonal refreshments. In addition, we are pleased to continue our holiday gift program providing each patient and client with a personalized wrapped holiday gift. We anticipate filling close to 375 individual wish lists that include 1,125 gift items.

For our 2021 holiday season, we have multiple ways to contribute. Please join us in creating a festive holiday filled with fellowship and enjoyment.
