

# COLUMBUS & FRANKLIN COUNTY ADDICTION PLAN

Bridging the Gap for Opiate & Drug Addiction Recovery

## CFCAP INTERNATIONAL OVERDOSE AWARENESS DAY

*"TIME TO ACT. TIME TO REMEMBER. TIME TO STEP ON OVERDOSE & ADDICTION."*

AUGUST 31, 2023, 12-7 P.M.

ST. STEPHEN'S COMMUNITY HOUSE (1500 E. 17<sup>TH</sup> AVENUE, COLUMBUS, OH 43219)

## SCHEDULE OF EVENTS

---

### WALK-IN FOR RECOVERY RESOURCE FAIR & TIME TO REMEMBER GALLERY

#### BEGINS AT NOON

If you or someone you know uses drugs or alcohol, stop by to get free:

- Alcohol and/or drug assessments
- Immediate linkage to medical detox
- Wound care
- Same-day contraception
- STI/HIV testing and treatment, access to PrEP
- Women's health exams, including breast and cervical cancer screenings
- COVID-19 prevention help
- Medicaid enrollment assistance
- Naloxone and fentanyl test strips

Family and friends others are invited to celebrate the life of a loved one and share their story. This is a time to remember *without stigma* those who have died from overdose and acknowledge the grief of their family and friends.

---

#### FREE STORE

#### OPENS AT 3 P.M.

New and gently used clothing and household items, such as blankets and school supplies, will be provided (as supplies last) to individuals and families in a hospitable atmosphere.

---

### STEP ON OVERDOSE & ADDICTION PRESENTATIONS AND MARCH

#### BEGINS AT 3:30 P.M.

Hear remarks from an individual with lived experience, local public officials and CFCAP and ADAMH Board of Franklin County leadership.

This is a time to pause to honor those who have died from an overdose and to reflect on the grief of those impacted. Let us step on the barriers and stigma that can lead to overdoses and overdose deaths. Highlight the **time to ACT**, and promote prevention and educational resources, access to treatment, and recovery supports.

---

### STEP ON OVERDOSE & ADDICTION PANEL DISCUSSION

#### BEGINS AT 5:45 P.M.

---

Hear a panel discuss the opioid crisis: where we were, where we are and where we want to be. Updates will be shared on data, resource impact, and solutions for individuals, family members and the community.
