

Supporting Students, Building Resilience

Being a student in today's world is demanding, but no one has to do it alone.

It takes a village to support a student's growth, and the Alcohol, Drug and Mental Health Board of Franklin County (ADAMH) is here to be a part of that journey.

Get connected to prevention services that help students build resiliency, promote life skills, develop coping strategies and more.

Services funded by:

ADAMH

ALCOHOL, DRUG AND MENTAL HEALTH
BOARD OF FRANKLIN COUNTY

Canal Winchester Local Schools

The Alcohol, Drug and Mental Health Board (ADAMH) of Franklin County partners with 16 public school districts in Franklin County and certified behavioral health agencies to provide school-based prevention and early intervention services for all students to support their mental health and wellness journey. Prevention services help students build resilience and reduce the risk of mental illness and substance use.

ADAMH Providers at Canal Winchester Local Schools:

School Liaison:

Brooke Hippler
bhippler@cwls.us

Nationwide Children's Hospital
